

Legacy Archive Note - Suryagarh Block A

Historical reserve estimate prepared in 2018 recorded 42.3 MT for Seam III.

Old mine plan reference: CMPDI/LEGACY/SURYA-A/2018/MP-04.

Conversion note dated 15 January 2026 updates reporting units to MT and MTPA.

The 2026 comparison indicates inferred reserve growth to 48.6 MT after new borehole validation.
